Dear Marquette County **Law Enforcement** and **Fire Departments**,

We are pleased to share that the 2026 Marquette County Police & Firefighter's Ball was another successful event. Thanks to the continued support of our local law enforcement and fire departments, our generous sponsors, and the entire Marquette County community, this year's event was made possible.

Since our inaugural event in 2018, we have proudly given over \$100,000 back to local law enforcement agencies, fire departments, and charitable organizations throughout Marquette County.

As we close out this year's fundraising cycle, we are now seeking your input on how these funds should be allocated. If your department or organization is in need of financial support, please complete and return the attached request form. Be sure to include the amount you are requesting, and a brief explanation of how the funds will be used.

All requests must be postmarked by July 3rd to ensure adequate time for review.

If you have any questions, please contact us at info@mqtcpoliceandfireball.org.

Thank you for your continued service to our communities. We remain deeply grateful for all that you do.

Sincerely,

The Marquette County Police & Firefighters' Fund
